

# Łaziska Górne

Some information about our town.

Our town has 700 years of rich history which is connected with the mining, metallurgical and power industry

Our town hall

The library

The town Łaziska Górne is situated on the south of the Upper-Silesian Industrial Region, 18 km far from the capital of Silesian Province - Katowice. It is one of smaller towns of this region.

There are about 20 000 people  
living in our town

Although there are many factories  
our town is full of green fields and  
forests.
